Public Comments: None

The board interviewed, in open session, an applicant for the advertised position of Mahaska County Economic Development Director.

Public Comments: Mr. Schrock and Ms. VandeRee questioned how this position fits into what is already in place, how it affects MCARD, seems to be a duplication of efforts and feel that it would cause confusion on behalf of businesses. Board responded that they have received support from businesses in the pursuit of opening this position.

It was moved by Parker seconded by Wanders to adjourn. All present voted aye. Motion carried.
