Bankers Trust Company, N.A., Des Moines, Iowa, is hereby designated as the Registrar and Paying Agent for the Notes and may be hereinafter referred to as the “Registrar” or the “Paying Agent”.

All of the interest on the Notes shall be payable December 1, 2003, and semiannually thereafter on the first day of June and December in each year. Payment of interest on the Notes shall be made to the registered owners appearing on the registration books of the County at the close of business on the fifteenth day of the month next preceding the interest payment date and shall be paid by check or draft mailed to the registered owners at the addresses shown on such registration books. Principal of the Notes shall be payable in lawful money of the United States of America to the registered owners or their legal representatives upon presentation and surrender of the Note or Notes at the office of the Paying Agent.

The Notes shall be executed on behalf of the County with the official manual or facsimile signature of the Chairperson of the Board and attested with the official manual or facsimile signature of the County Auditor and shall have the County’s seal impressed or printed thereon, and shall be fully registered Notes without interest coupons. In case any officer whose signature or the facsimile of whose signature appears on the Notes shall cease to be such officer before the delivery of the Notes, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.
The Notes shall not be valid or become obligatory for any purpose until the Certificate of Authentication thereon shall have been signed by the Registrar.

The Notes shall be fully registered as to principal and interest in the names of the owners on the registration books of the County kept by the Registrar, and after such registration, payment of the principal thereof and interest thereon shall be made only to the registered owners or their legal representatives or assigns. Each Note shall be transferable without cost to the registered owner thereof only upon the registration books of the County upon presentation to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form thereon completed and duly executed by the registered owner or the duly authorized attorney for such registered owner.

The record and identity of the owners of the Notes shall be kept confidential as provided by Section 22.7 of the Code of Iowa.

Section 6. Notwithstanding anything above to the contrary, the Notes shall be issued initially as Depository Bonds, with one fully registered Note for each maturity date, in principal amounts equal to the amount of principal maturing on each such date, and registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”). On original issue, the Notes shall be deposited with DTC for the purpose of maintaining a book-entry system for recording the ownership interests of its participants and the transfer of those interests among its participants (the “Participants”). In the event that DTC determines not to continue to act as securities depository for the Notes or the County determines not to continue the book-entry system for recording ownership interests in the Notes with DTC, the County will discontinue the book-entry system with DTC. If the County does not select another qualified securities depository to replace DTC (or a successor depository) in order to continue a book-entry system, the County will register and deliver replacement notes in the form of fully registered certificates, in authorized denominations of $5,000 or integral multiples of $5,000, in accordance with instructions from Cede & Co., as nominee for DTC. In the event that the County identifies a qualified securities depository to replace DTC, the County will register and deliver replacement notes, fully registered in the name of such depository, or its nominee, in the denominations as set forth above, as reduced from time to time prior to maturity in connection with redemptions or retirements by call or payment, and in such event, such depository will then maintain the book-entry system for recording ownership interests in the Notes.

Ownership interest in the Notes may be purchased by or through Participants. Such participants and the persons for whom they acquire interests in the Notes as nominees will not receive certificated Notes, but each such Participant will receive a credit balance in the records of DTC in the amount of such Participant’s interest in the Notes, which will be confirmed in accordance with DTC’s standard procedures. Each such person for which a Participant has an interest in the Notes, as nominee, may desire to make arrangements with such Participant to have all notices of redemption or other
communications of the County to DTC, which may affect such person, forwarded in writing by such Participant and to have notification made of all interest payments.

The County will have no responsibility or obligation to such Participants or the persons for whom they act as nominees with respect to payment to or providing of notice for such participants or the persons for whom they act as nominees.

As used herein, the term “Beneficial Owner” shall hereinafter be deemed to include the person for whom the Participant acquires an interest in the Notes.

DTC will receive payments from the County, to be remitted by DTC to the Participants for subsequent disbursement to the Beneficial Owners. The ownership interest of each Beneficial Owner in the Notes will be recorded on the records of the Participants whose ownership interest will be recorded on a computerized book-entry system kept by DTC.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County to DTC, and DTC shall forward (or cause to be forwarded) the notices to the Participants so that the Participants can forward the same to the Beneficial Owners.

Beneficial Owners will receive written confirmations of their purchases from the Participants acting on behalf of the Beneficial Owners detailing the terms of the Notes acquired.

Transfers of ownership interests in the Notes will be accomplished by book entries made by DTC and the Participants who act on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Notes, except as specifically provided herein. Interest and principal will be paid when due by the County to DTC, then paid by DTC to the Participants and thereafter paid by the Participants to the Beneficial Owners.

Section 7. The Notes shall be in substantially the following form:

And It Is Hereby Certified and Recited that all acts, conditions and things required by the laws and Constitution of the State of Iowa, to exist, to be had, to be done or to be performed precedent to and in the issue of this Note were and have been properly existent, had, done and performed in regular and due form and time; that provision has been made for the levy of a sufficient continuing annual tax on all the taxable property within the County for the payment of the principal of and interest on this Note as the same will respectively become due; that the faith, credit, revenues and resources and all the real and personal property of the County are irrevocably pledged for the prompt payment hereof, both principal and interest; and that the total indebtedness of the County, including this Note, does not exceed any constitutional or statutory limitations.

The County has been advised by the Hospital that revenues of the Hospital sufficient to pay the principal of and interest on the Notes due during the fiscal year
beginning July 1, 2003, in the amount of $538,907 have been set aside by the Hospital and will be available to pay the principal of and interest on the Notes when due during such fiscal year.

Section 11. A certified copy of this resolution shall be filed with the County Auditor, and said Auditor is hereby instructed to enter for collection and assess the tax hereby authorized. When annually entering such taxes for collection, the County Auditor shall include the same as a part of the tax levy for Debt Service Fund purposes of the County and when collected, the proceeds of the taxes shall be converted into the Debt Service Fund of the County and set aside therein as a special account to be used solely and only for the payment of the principal of and interest on the Notes hereby authorized and for no other purpose whatsoever. The County hereby pledges the faith, credit, revenues and resources and all of the real and personal property of the County for the full and prompt payment of the principal of and interest on the Notes.

Section 13. It is the intention of the County that interest on the Notes be and remain excluded from gross income for federal income tax purposes pursuant to the appropriate provisions of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations in effect with respect thereto (all of the foregoing herein referred to as the “Internal Revenue Code”). In furtherance thereof, the County covenants to comply with the provisions of the Internal Revenue Code as they may from time to time be in effect or amended and further covenants to comply with the applicable future laws, regulations, published rulings and court decisions as may be necessary to insure that the interest on the Notes will remain excluded from gross income for federal income tax purposes. Any and all of the officers of the County are hereby authorized and directed to take any and all actions as may be necessary to comply with the covenants herein contained.

The County hereby designates the Notes as “Qualified Tax Exempt Obligations” as that term is used in Section 265(b)(3)(B) of the Internal Revenue Code.

(a) Limited Exemption from Rule. The Securities and Exchange Commission (the “SEC”) has promulgated amendments to Rule 15c2-12 under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (as in effect and interpreted from time to time, the “Rule”) which govern the obligations of certain underwriters to require that issuers of municipal bonds enter into contracts for the benefit of the bondholders to
provide continuing disclosure with respect to the bonds. This Board hereby finds, determines and declares that the Notes are exempt from the application of paragraph (b)(5) of the Rule by reason of the exemption granted in paragraph (d)(2) thereof. Specifically, this Board hereby finds that the only “obligated person” (within the meaning of the Rule) with respect to the Notes is the County and that, giving effect to the issuance of the Notes and any other securities required to be integrated with the Notes, there will not be more than $10 million in principal amount of municipal securities outstanding on the date of issuance of the Notes as to which the County is an obligated person (excluding municipal securities exempt from the Rule under paragraph (d)(1) thereof because, among other things, they were issued in minimum denominations of $100,000). In making such finding, the County hereby represents that it has not issued within the six months before the date of issuance of the Notes and that it reasonably expects that it will not issue within six months after the date of issuance of the Notes, other securities of the County of substantially the same security and providing financing for the same general purpose or purposes as the Notes. The exemption from the Rule for the Notes is conditioned upon the County agreeing to provide certain continuing disclosure as hereinafter provided. The County has not previously entered into any undertakings under the Rule.

(b) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Notes and the security therefore and to permit participating underwriters in the primary offering of the Notes to comply with paragraph (b)(5) of the Rule, which will enhance the marketability of the Notes, the County hereby makes the covenants and agreements contained in this section for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Notes.

If the County fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any outstanding Notes, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for specific performance or a writ of mandamus. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Notes or under any other provision of this resolution.

As used in this section, “Owner” or “Noteowner” means, with respect to a Note, the registered owner or owners thereof appearing in the register maintained by the Registrar or any “Beneficial Owner” (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, “Beneficial Owner” means, with respect to a Note, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Note (including persons or entities holding Notes through nominees, depositaries or other intermediaries), or (b) is treated as the owner of the Note for federal income tax purposes.

(c) Information To Be Disclosed. The County will provide, either directly or indirectly through an agent designated by the County, the following information at the following times in an appropriate manner:
(1) At least annually to the state information depository then designated or operated by the State of Iowa (the “State Depository”), if any, or, if no State Depository then exists, to any person or entity upon request, certain information (the “Disclosure Information”), including the audited financial statements of the County and any other information of the type contained in the Official Statement for the Notes not included in such financial statements but customarily prepared and made publicly available by the County, which information may be unaudited and which, for financial statement information, shall be for the most recent fiscal year of the County (if in response to a request, the most recent fiscal year ending not less than 270 days before the date of the request), and, for other such information, the information most recently compiled by the County on a customary basis and publicly available under applicable data privacy or other laws.

The County Auditor is hereby designated as the proper recipient of requests for Disclosure Information.

Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to each then nationally recognized municipal securities information repository under the Rule or the SEC. If the document incorporated by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The County shall clearly identify in the Disclosure Information each document so incorporated by reference.

If the Disclosure Information is changed because it is no longer compiled or publicly available or this paragraph (c)(1) is amended as permitted by subsection (d), then the County shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of information provided.

(2) In a timely manner, to the Municipal Securities Rulemaking Board and to the State Depository, if any, notice of the occurrence of any of the following events which is a Material Fact (as hereinafter defined):

(A) Principal and interest payment delinquencies;

(B) Non-payment related defaults;

(C) Unscheduled draws on debt service reserves reflecting financial difficulties;

(D) Unscheduled draws on credit enhancements reflecting financial difficulties;

(E) Substitution of credit or liquidity providers, or their failure
to perform;

(F) Adverse tax opinions or events affecting the tax-exempt status of the security;

(G) Modifications to rights of security holders;

(H) Note calls;

(I) Defeasances;

(J) Release, substitution, or sale of property securing repayment of the securities; and

(K) Rating changes.

As used herein, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Note or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a “Material Fact” is also an event that would be deemed “material” for purposes of the purchase, holding or sale of a Note within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

(3) In a timely manner, to the Municipal Securities Rulemaking Board and to the State Depository, if any, notice of the occurrence of any of the following events or conditions:

(A) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the County under subsection (d)(2);

(B) the termination of the obligations of the County under this section pursuant to subsection (d);

(C) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and

(D) any change in the fiscal year of the County.

(d) Term: Amendments: Interpretation. The covenants of the County in this section shall remain in effect so long as any Notes are outstanding. Notwithstanding the
preceding sentence, however, the obligations of the County under this section shall terminate and be without further effect as of any date on which the County delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the County to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Notes or securities firms recommending the Notes to prospective purchasers while the Notes are outstanding to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

This section may be amended or supplemented by the County from time to time, without notice to or the consent of the Owners of any Notes, by a resolution of this Board filed in the office of the recording officer of the County accompanied by an opinion of Bond Counsel, who may rely on certificates of the County and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the County or the type of operations conducted by the County, or (b) is required by, or better complies with, the provisions of paragraph (d)(2) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (d)(2) of the Rule at the time of the primary offering of the Notes, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii)such amendment or supplement does not materially impair the interests of the Owners under the Rule. This section is entered into to comply with, and should be construed so as to satisfy the requirements of, paragraph (d)(2) of the Rule.

Section 15. All resolutions or parts thereof in conflict herewith be and the same are hereby repealed to the extent of such conflict.

Passed and approved May 19, 2003.

The Hospital hereby agrees to operate and maintain the Hospital facilities in a manner sufficient to produce revenues to pay the debt service on the Series 2003 Notes and agrees to be bound by the provisions of the 2003 Loan Agreement, the Series 2003 Notes and the 2003 Note Resolution and perform the obligations of the Issuer and the Hospital thereunder in the manner therein provided.

PAYING AGENT AND REGISTRAR AND TRANSFER AGENT AGREEMENT

This Agreement is entered into the date hereof between BANKERS TRUST COMPANY, N.A., Des Moines, Iowa (the “Agent”) and the MAHASKA COUNTY, IOWA (the “Issuer”).
1. **Definition of Terms**—The terms “item,” “receipt,” “transfer,” “turnaround,” “process,” “business day,” and other terms used throughout this Agreement shall be deemed to have the meanings provided in the regulations promulgated pursuant to the Securities Exchange Act of 1934 and the Code of Iowa as amended and in effect from time to time.

2. **Issuance Resolution Incorporated By Reference**—The Agent agrees to act on behalf of the Issuer pursuant to the terms of this Agreement and pursuant to the Issuer’s resolution (the “Resolution”) authorizing and providing for the issuance of $2,480,000 General Obligation Hospital Refunding Notes, dated May 1, 2003 (the ‘Notes”). The Resolution and the terms thereof are hereby incorporated by reference and the provisions of this Agreement are to be construed to be consistent with the Resolution. In the event of inconsistent language between the Resolution and this Agreement, the terms of the Resolution shall prevail.

3. **Registrar Function**—The Agent shall maintain records of the identity of the owners of the Notes in order to carry out its function as Registrar and upon request of the Issuer shall from time to time deliver to the Issuer records, documents and other writings made or accumulated in the performance of its duties as Registrar. In such capacity the Agent is authorized at any time to register for original issue certificates representing the Notes and not exceeding the total principal amount of the Notes (“certificates”) and upon surrender for cancellation of certificates to register new certificates for the principal amount of Notes represented by the certificates so cancelled and to redeliver such new certificates.

4. **Transfer Agent Function/Charges**—For the purpose of the original issue of certificates the Agent is hereby directed to record and authenticate certificates signed by or bearing the facsimile signatures of the officers of the Issuer authorized to sign certificates in such names and in such amounts as the Issuer may direct.

   The Agent shall make transfers from time to time upon the records of the Issuer of any outstanding certificates and of certificates issued in exchange therefor signed by the officers of the Issuer upon surrender thereof for transfer properly endorsed and upon reasonable assurance that such endorsements are genuine and effective in accordance with Section 554.8401, Code of Iowa. Signature guarantee must be provided in accordance with the prevailing standards and procedures of the Registrar and Transfer Agent. Such standards and procedures may require signatures to be guaranteed by certain eligible guarantor institutions that participate in a recognized signature guarantee program.

   The Issuer and the Agent may also require payment by the person requesting an exchange or transfer of the certificates of a service charge and a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto, except in the case of the issuance of a certificate for the unredeemed portion of a certificate surrendered for redemption.
Upon request for cancellation of such certificates the Agent shall record and authenticate new certificates duly signed and deliver such certificates to or upon the order of the person entitled thereto.

Certified specimen signatures of the officers of the Issuer and certified specimen certificates in the form duly approved by the Issuer shall be lodged with the Agent and upon request of the Agent the Issuer will deliver to the Agent a sufficient supply of certificates in the form approved.

5. **Paying Agent Function** - The Agent is hereby authorized and shall make payments of principal and interest to the registered owners of the Notes as follows:

   (a) At least one business day prior to each payment date the Issuer will deposit with the Agent in immediately available funds such amount as is required to make such payment.

   (b) One business day before each payment date the Agent will pay interest and, upon presentation and surrender of the matured or called Note, will pay principal to each registered owner of the Notes as of the record date by mailing a check to each such owner. In any case where the date of maturity of interest on or principal of the Note or the date fixed for redemption of any Note shall be a Sunday or a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal may be made on the succeeding business day with the same force and effect as if made on the date of maturity or the day fixed for redemption. Provided, however, that payment of principal shall be made not later than the second day after receipt of the matured Note.

   (c) When the Agent shall receive notice from the Issuer of its option to redeem Notes prior to maturity, the Agent shall select the Notes to be redeemed and give notice of the redemption thereof, all in accordance with the terms of the Notes and the Resolution.

6. **Form of Records** - The records of the Agent shall be in such form as to be in compliance with standards issued from time to time by the Municipal Securities Rule Making Board of the United States and any other securities industries standard and the requirements of the Internal Revenue Code of 1986 and Chapter 76 of the Code of Iowa.

7. **Confidentiality of Records** - The Agent’s records in connection with the Notes shall remain confidential records entitled to protection and confidentiality pursuant to Section 22.7, Code of Iowa. The Agent agrees that its use of the records will be limited to the purposes of this Agreement and that the Agent will make no private use or permit any private access thereto.

8. **Reliance Upon Certain Certifications and Representations** - The Agent may rely conclusively and act, without further investigation, upon any list,
instruction, certification, authorization, certificate, or other instrument or paper suitably guaranteed and believed by it in good faith and due diligence in performing its functions to be genuine and to have been signed, countersigned, or executed by a duly authorized person or persons or upon the instruction of any authorized officer of the Issuer or upon the advice of the Issuer’s counsel; and may register any certificate representing the Notes or may refuse to register any such certificate if in good faith the Agent deems such refusal necessary in order to avoid any liability on the part of either the Issuer or the Agent, and the Issuer agrees to indemnify and hold harmless the Agent from and against any and all losses, costs, claims, and liability for so relying or acting or refusing to act.

9. **Rules and Regulations Governing Registration**-The Agent shall comply at all times with such rules, regulations and requirements as may govern the registration, transfer and payment of registered Notes including without limitation Chapter 76 and Sections 554.8101 et seq., Code of Iowa, and standards issued from time to time by the Municipal Securities Rule Making Board of the United States and any other securities industries standard and the requirements of the Internal Revenue Code of 1986.

10. **Signature of Officers**-In case any of the officers of the Issuer whose manual or facsimile signature appears on any certificate, Note or other record delivered to the Agent shall cease to be such officer prior to the registration, processing, or transfer thereof, the Agent may nevertheless process such documents as though the person signing the same or whose facsimile signature appears thereon had not ceased to be such officer unless written instruction of the Issuer to the contrary is received.

11. **Record Date**-For purposes of determining the registered owners of the Notes the record date shall be deemed to be the fifteenth day of the month preceding the date on which payment of principal, premium, if any, or interest is payable to the registered owners of the Notes (“Payment Date”) whether such payment is due to optional redemption, operation of a sinking fund, or for any other reason.

12. **Three Days Turnaround**-The Agent agrees that it will turnaround within three business days of receipt all items received in proper form for transfer, process or other action pursuant to the terms of this Agreement.

13. **Destruction of Cancelled Notes**-The Agent will promptly cancel and destroy all Notes or certificates representing the Notes which have been spoiled, surrendered to it for transfer, or with respect to which principal, premium, if any, and interest owing on such Notes has been paid, and will provide the Issuer with a Certificate of Destruction certifying as to the destruction of such cancelled Notes.

14. **Payment of Unclaimed Amounts**-In the event any payment check representing payment of interest or principal on the Notes is returned to the Agent
or is not presented for payment or if any Note is not presented for payment of principal or premium at the maturity or redemption date, if funds sufficient to pay such interest or principal shall have been made available to the Agent for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for such interest or principal payment of such Notes shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Agent to hold such funds, without liability for interest thereon, for the benefit of the owner of such Notes who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on its part under the Resolution or on, or with respect to, such interest or principal. The Agent’s obligation to hold such funds shall continue for a period equal to six months following the date on which such interest or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the Agent shall surrender any remaining funds so held to the Issuer, whereupon any claim under the Resolution by the owners of Notes of whatever nature shall be made upon the Issuer.

15. **No Obligation to Invest**-The Agent will have no obligation to invest any funds in its possession.

16. **Compensation of the Agent**-The Issuer will pay the Agent reasonable compensation for its services based upon the schedule of fees attached or such other schedule of fees as may be agreed upon from time to time between the Agent and the Issuer. The Agent’s compensation may include the amount of any attorney fees incurred by it under Section 17 hereof.

17. **Bond Counsel**-When the Agent deems it necessary or reasonable it may apply to Bond Counsel for the Issuer or such other law firm or attorney approved by the Issuer for instructions or advice.

18. **Termination of Agreement**-This Agreement may be terminated by either party by giving the other party at least 90 days advance written notice. At termination of the Agreement, the Agent shall deliver to the Issuer any and all records, documents or other writings made or accumulated in the performance of its duties under this Agreement and shall refund the unearned balance, if any, of fees paid in advance by the Issuer.

19. **Examination of Records**-The Issuer or its duly authorized agents may examine all records relating to the Notes at the principal office of the Agent at reasonable times as agreed upon with the Agent and such records shall be subject to audit from time to time at the request of the Issuer or the Agent. The Agent, on request, will furnish the Issuer with a list of the names, addresses, and other information concerning the owners of the Notes or any of them.

20. **Obligations, Rights and Privileges of the Agent**-The Agent shall have, with regard to the particular functions it performs, the same obligation to the
owner or owners of the Notes and shall have the same rights and privileges the Issuer has in regard to those functions.

This agreement and attachments together with Chapter 567—38, Iowa Administrative Code (IAC), for as long as it remains in effect, shall constitute the entire agreement between the Department and Mahaska County with respect to private water well construction permits. To the extent that this agreement conflicts with the said Chapter 38, then Chapter 38, IAC, shall apply.

Nothing in this agreement or its attachments shall be construed as limiting the power of the Department to issue or deny private water well construction permits and to take any other actions consistent with the provisions of Chapter 567—38, IAC, or any other rules established, or to be established, under Division III of Chapter 455B which the Department deems necessary for the continued proper administration of the private water well permit program.
In the event of a breach by the county of a term or condition of this Agreement, the Department shall have the right to determine the effect of the breach on the remaining terms or conditions of this Agreement.

Statement of Purpose: The purpose of this Agreement is to delegate the Department’s permit-issuing authority with respect to private water well construction, as specified in 1987 Iowa Code Supplement section 455B.187 and Chapter 567-38, IAC, and to specify the extent and manner of cooperation between the two agencies in conducting programs for the evaluation and issuance of private water well construction permits. Particular emphasis is placed on assuring that the proposed Mahaska County private will program meets or exceeds the minimum standards required by the Department.
