**Resolution**

To Amend the Electronic Transactions Clearinghouse 28E Agreement

WHEREAS, Section 10 of the Electronic Transactions Clearinghouse 28E Agreement provides for amendment of the 28E Agreement by resolution of the ISAC Board of Directors, if the amendment is then submitted to a vote of the individual members counties; and

WHEREAS, the 28E agreement should be amended to provide a more flexible and equitable funding formula for ETC that does not fall disproportionately on counties of any one population size.
NOW, THEREFORE, BE IT RESOLVED by the County Board of Supervisors that the Section 7 of the Electronic Transactions Clearinghouse 28E Agreement should be amended to read as follows:

“7. FUNDING. ETC shall provide the Services referred to in this Agreement to each member county. The costs to counties for these services shall be determined as follows: each member county shall annually be assessed a fixed fee as determined by the ISAC Board of Directors on an annual basis. In order to cover ETC’s expenses not covered by the fixed fee, each member county shall annually be assessed its proportional share of a three-year average of the combined total of all member counties’ actual GAAP general basic fund expenditures and mental health fund expenditures.”

Mahaska County Board of Supervisors
Resolution
February 2, 2009

Be it resolved that the Mahaska County Board of Supervisors authorizes Mahaska County Hospital d/b/a Mahaska Health Partnership to levy a $.10 per 1,000 valuation assessment to subsidize the ambulance service for the fiscal year July 1, 2009 -June 30, 2010.

It is understood by the Mahaska County Hospital d/b/a Mahaska Health Partnership that the levy represents an annual request to the board of supervisors, and there is no guarantee that the levy will be granted in any fiscal year.

The ambulance levy funds may only be used to supplement the following:
1. Operating deficits in ambulance operations. These deficits may be due to continued funding shortfalls by the Medicare and Medicaid programs, increasing costs of personnel, or other increased operating costs.
2. Overhead related to ambulance operations, which may include the depreciation on the ambulance garage (new in 2002), billing and administrative costs, education, insurance, etc.
3. The cost of new or replacement equipment for the ambulance service, including ambulance vehicles and other equipment necessary for the provision of emergency medical services.
Approved this 2nd day of February, 2009.
