If less than all of the Bonds of any like maturity are to be redeemed, the particular part of those Bonds to be redeemed shall be selected by the Registrar by lot. The Bonds may be called in part in one or more units of $5,000.

If less than the entire principal amount of any Bond in a denomination of more than $5,000 is to be redeemed, the Registrar will issue and deliver to the registered owner thereof, upon surrender of such original Bond, a new Bond or Bonds, in any authorized denomination, in a total aggregate principal amount equal to the unredeemed balance of the original Bond. Notice of such redemption as aforesaid identifying the Bond or Bonds (or portion thereof) to be redeemed shall be sent by electronic means or mailed by certified mail to the registered owners thereof at the addresses shown on the County’s registration books not less than 30 days prior to such redemption date. Any notice of redemption may contain a statement that the redemption is conditioned upon the receipt
by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay
the redemption price of the Bonds so called for redemption, and that if funds are not
available, such redemption shall be cancelled by written notice to the owners of the
Bonds called for redemption in the same manner as the original redemption notice was
sent. All of such Bonds as to which the County reserves and exercises the right of
redemption and as to which notice as aforesaid shall have been given and for the
redemption of which funds are duly provided, shall cease to bear interest on the
redemption date.

Accrued interest on the Bonds shall be payable semiannually on the first day of
June and December in each year, commencing December 1, 2019. Interest shall be
calculated on the basis of a 360-day year comprised of twelve 30-day months. Payment
of interest on the Bonds shall be made to the registered owners appearing on the
registration books of the County at the close of business on the fifteenth day of the month
next preceding the interest payment date and shall be paid to the registered owners at the
addresses shown on such registration books. Principal of the Bonds shall be payable in
lawful money of the United States of America to the registered owners or their legal
representatives upon presentation and surrender of the Bond or Bonds at the office of the
Paying Agent.

The Bonds shall be executed on behalf of the County with the official manual or
facsimile signature of the Chairperson of the Board and attested with the official manual
or facsimile signature of the County Auditor, and shall be fully registered Bonds without
interest coupons. In case any officer whose signature or the facsimile of whose signature
appears on the Bonds shall cease to be such officer before the delivery of the Bonds, such
signature or such facsimile signature shall nevertheless be valid and sufficient for all
purposes, the same as if such officer had remained in office until delivery.

The Bonds shall not be valid or become obligatory for any purpose until the
Certificate of Authentication thereon shall have been signed by the Registrar.

The Bonds shall be fully registered as to principal and interest in the names of the
owners on the registration books of the County kept by the Registrar, and after such
registration, payment of the principal thereof and interest thereon shall be made only to
the registered owners or their legal representatives or assigns. Each Bond shall be
transferable only upon the registration books of the County upon presentation to the
Registrar, together with either a written instrument of transfer satisfactory to the Registrar
or the assignment form thereon completed and duly executed by the registered owner or
the duly authorized attorney for such registered owner.

The record and identity of the owners of the Bonds shall be kept confidential as
provided by Section 22.7 of the Code of Iowa.

Section 3. Notwithstanding anything above to the contrary, the Bonds shall be
issued initially as Depository Bonds, with one fully registered Bond for each maturity
date, in principal amounts equal to the amount of principal maturing on each such date,
and registered in the name of Cede & Co., as nominee for The Depository Trust
Company, New York, New York (“DTC”). On original issue, the Bonds shall be deposited with DTC for the purpose of maintaining a book-entry system for recording the ownership interests of its participants and the transfer of those interests among its participants (the “Participants”). In the event that DTC determines not to continue to act as securities depository for the Bonds or the County determines not to continue the book-entry system for recording ownership interests in the Bonds with DTC, the County will discontinue the book-entry system with DTC. If the County does not select another qualified securities depository to replace DTC (or a successor depository) in order to continue a book-entry system, the County will register and deliver replacement bonds in the form of fully registered certificates, in authorized denominations of $5,000 or integral multiples of $5,000, in accordance with instructions from Cede & Co., as nominee for DTC. In the event that the County identifies a qualified securities depository to replace DTC, the County will register and deliver replacement bonds, fully registered in the name of such depository, or its nominee, in the denominations as set forth above, as reduced from time to time prior to maturity in connection with redemptions or retirements by call or payment, and in such event, such depository will then maintain the book-entry system for recording ownership interests in the Bonds.

Ownership interest in the Bonds may be purchased by or through Participants. Such Participants and the persons for whom they acquire interests in the Bonds as nominees will not receive certificated Bonds, but each such Participant will receive a credit balance in the records of DTC in the amount of such Participant’s interest in the Bonds, which will be confirmed in accordance with DTC’s standard procedures. Each such person for which a Participant has an interest in the Bonds, as nominee, may desire to make arrangements with such Participant to have all notices of redemption or other communications of the County to DTC, which may affect such person, forwarded in writing by such Participant and to have notification made of all interest payments.

The County will have no responsibility or obligation to such Participants or the persons for whom they act as nominees with respect to payment to or providing of notice for such Participants or the persons for whom they act as nominees.

As used herein, the term “Beneficial Owner” shall hereinafter be deemed to include the person for whom the Participant acquires an interest in the Bonds.

DTC will receive payments from the County, to be remitted by DTC to the Participants for subsequent disbursement to the Beneficial Owners. The ownership interest of each Beneficial Owner in the Bonds will be recorded on the records of the Participants whose ownership interest will be recorded on a computerized book-entry system kept by DTC.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County to DTC, and DTC shall forward (or cause to be forwarded) the notices to the Participants so that the Participants can forward the same to the Beneficial Owners.
Beneficial Owners will receive written confirmations of their purchases from the Participants acting on behalf of the Beneficial Owners detailing the terms of the Bonds acquired. Transfers of ownership interests in the Bonds will be accomplished by book entries made by DTC and the Participants who act on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Bonds, except as specifically provided herein. Interest and principal will be paid when due by the County to DTC, then paid by DTC to the Participants and thereafter paid by the Participants to the Beneficial Owners.

The Bonds are issued pursuant to and in strict compliance with the provisions of Section 441.402 of the Code of Iowa, 2019, and all other laws amendatory thereof and supplemental thereto, and in conformity with a resolution of the County Board of Supervisors authorizing the issuance and securing the payment of the Bonds (the “Resolution”), and reference is hereby made to the Resolution for a more complete statement as to the source of payment of the Bonds and the rights of the owners of the Bonds.

The City reserves the right to prepay part or all of the Bonds maturing in each of the years 2028 to 2038, inclusive, prior to and in any order of maturity on June 1, 2027, or on any date thereafter upon terms of par and accrued interest. In addition, principal of the Bonds maturing on June 1 in each of the years 2028, 2030, 2032, 2034, and 2037 is subject to mandatory redemption (by lot, as selected by the Registrar) on June 1 in each of the years 2027, 2029, 2031, 2033, 2035 and 2036, respectively, in accordance with the mandatory redemption schedules set forth in the Resolution, at a redemption price of 100% of the principal amount thereof to be redeemed, plus accrued interest thereon to the redemption date.

If less than all of the Bonds of any like maturity are to be redeemed, the particular part of those Bonds to be redeemed shall be selected by the Registrar by lot. The Bonds may be called in part in one or more units of $5,000. If less than the entire principal amount of any Bond in a denomination of more than $5,000 is to be redeemed, the Registrar will issue and deliver to the registered owner thereof, upon surrender of such original Bond, a new Bond or Bonds, in any authorized denomination, in a total aggregate principal amount equal to the unredeemed balance of the original Bond. Notice of such redemption as aforesaid identifying the Bond or Bonds (or portion thereof) to be redeemed shall be sent by electronic means or by certified mail to the registered owners thereof at the addresses shown on the County’s registration books not less than 30 days prior to such redemption date. All of such Bonds as to which the County reserves and exercises the right of redemption and as to which notice as aforesaid shall have been given and for the redemption of which funds are duly provided, shall cease to bear interest on the redemption date.

This Bond is fully negotiable but shall be fully registered as to both principal and interest in the name of the owner on the books of the County in the office of the Registrar, after which no transfer shall be valid unless made on said books and then only upon presentation of this Bond to the Registrar, together with either a written instrument of transfer satisfactory to the Registrar or the assignment form hereon completed and
duly executed by the registered owner or the duly authorized attorney for such registered owner.

The County, the Registrar and the Paying Agent may deem and treat the registered owner hereof as the absolute owner for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and the County, the Registrar and the Paying Agent shall not be affected by any notice to the contrary.

And It Is Hereby Certified and Recited that all acts, conditions and things required by the laws and Constitution of the State of Iowa, to exist, to be had, to be done or to be performed precedent to and in the issue of this Bond were and have been properly existent, had, done and performed in regular and due form and time; that provision has been made for the levy of a sufficient continuing annual tax on all the taxable property within the County for the payment of the principal of and interest on this Bond as the same will respectively become due; and that the total indebtedness of the County, including this Bond, does not exceed any constitutional or statutory limitations.

IN TESTIMONY WHEREOF, Mahaska County, Iowa, by its Board of Supervisors, has caused this Bond to be executed with the duly authorized facsimile signature of its Chairperson and attested with the duly authorized facsimile signature of its County Auditor, all as of June 11, 2019.
